LIMUN 2027

Refund & Cancellation Policy

By registering for and/or participating in LIMUN 2027, all Delegates, Delegations, and Faculty Advisors expressly agree to be bound by this Refund Policy in full. Completion of registration and payment shall constitute acceptance of these terms and conditions, which form a binding agreement between the participant and the LIMUN Foundation.

Delegates are responsible for ensuring that they are able to attend the conference before registering. LIMUN provides refunds on a case-by-case basis, for individuals who paid to participate in the conference but can no longer attend in exceptional circumstances.

Please note, that Delegates are not entitled to a refund in the event of being unable to attend the conference. Furthermore, the LIMUN Foundation reserves the right to define exceptional circumstances.

1. We do not provide refunds to Delegations that have failed to obtain visas to the United Kingdom. In addition, Delegates who have requested a visa application after the deadline and failed to obtain a visa as a result, will not be eligible for consideration of a refund request.

2. If a single Delegate from a larger Delegation is unable to attend, they can be replaced by another person from their institution and be refunded by the replacement. LIMUN is not involved in such transactions.

3. In cases where Delegates/Delegations are unable to travel to the conference, the LIMUN Foundation will not be obligated to issue any refunds. The Delegate/Delegation may bring their situation to the attention of the Secretariat and the Foundation may consider issuing a partial refund, provided that their case has been submitted on or before 18th January 2027. Refunds granted in such cases will not exceed 50% of the delegate fee and will be subject to deduction of administrative and processing costs. Requests submitted after 1st January 2027 (payment deadline) will not be eligible for a refund under any circumstances.

4. In cases where Delegates are not satisfied with their country and committee allocation, a refund will not be granted.

5. In cases where Delegates have registered and made payment despite not meeting the specified entry requirements, including age limits (16 - 25 years old) and university-level criteria.

6. No refunds will be issued in case of non-attendance, late arrival, partial attendance, or failure to participate for personal reasons, including minor illness (Flu, Colds, Bone fractures, etc.), travel delays, or scheduling conflicts.

7. Tickets for social events (including the LIMUN Gala and socials) are strictly non-refundable once purchased, except in the case of official cancellation of the event by the LIMUN Foundation. Social tickets are non-transferable without prior written approval.

In the scenario whereby the conference is cancelled due to organisation-side reasons (e.g. government-mandated measures forbidding large-scale events like conferences), full refunds will be granted to all Delegates and faculty advisors. In the event that cancellation or disruption arises from circumstances beyond the reasonable control of the LIMUN Foundation (including but not limited to natural disasters, industrial action, strikes, civil unrest, acts of terrorism, armed conflict, or public health emergencies), the Foundation shall not be obliged to issue any refunds.

The LIMUN Foundation reserves the right to assess all refund requests on a case-by-case basis. To request a refund, Delegates or Delegations must email **finance@limun.org.uk** with the subject **"Refund Request"** and provide documentation supporting their claim. Refund requests will be reviewed on a case-by-case basis and a decision will be made within 14 working days upon the receipt of the request.

Please note that there may be processing fees associated with refunds and that refunds will only be issued to the original payment method. Delegates agree not to initiate chargebacks or payment disputes through their bank or payment provider while a refund request is under review. Any such action may result in disqualification from participation in current or future LIMUN events. In addition, the LIMUN Foundation reserves the right to: (i) withhold or cancel confirmed country and committee allocations, (ii) refuse entry to the Conference or any associated social events, (iii) ban the Delegate and/or their Delegation from registering for future LIMUN conferences, and (iv) pursue recovery of any fees, administrative costs, or legal expenses incurred as a result of the chargeback or dispute.

The LIMUN Foundation is not responsible for costs beyond the delegate or social ticket fee, including but not limited to travel, accommodation, meals, insurance, or visa expenses. Delegates are strongly advised to obtain suitable travel and health insurance prior to attending the Conference.

This Refund Policy shall be governed by and construed in accordance with the laws of England and Wales, and any disputes shall fall under the exclusive jurisdiction of the courts of England and Wales.
